This is just a little\*\*ficlet I thought of and decided to post. The Outsiders belongs to S. E. Hinton. Please read and review!\*\*

Pony was sitting on Johnny's lap, both of them smoking. It was Saturday, and it was just the two of them in the lot.

Taking a drag on his cigarette, Pony slowly let out a sigh. Turning to face Johnny, he looked at him curiously.

"What?" Johnny asked.

"Nothing." Pony smiled. Then he kissed him.

Even as they were both enjoying it, they were immediately off put by the taste of smoke in each other's mouth.

They broke apart, gagging a little.

"Okay, that was stupid." Pony said, blushing.

"Yeah."

End  
file.
